DRUM SMOKER ACCESSORIES

INTRODUCING...

This accessories line started as a simple passion project, a way to turn 55-gallon drums into more effective outdoor smokers.

Using patented **VECTIS** spring assist technology and innovative manufacturing, we've created the perfect, accessible backyard smoker accessories for a fraction of the cost of other smokers.

But we didn't stop there!

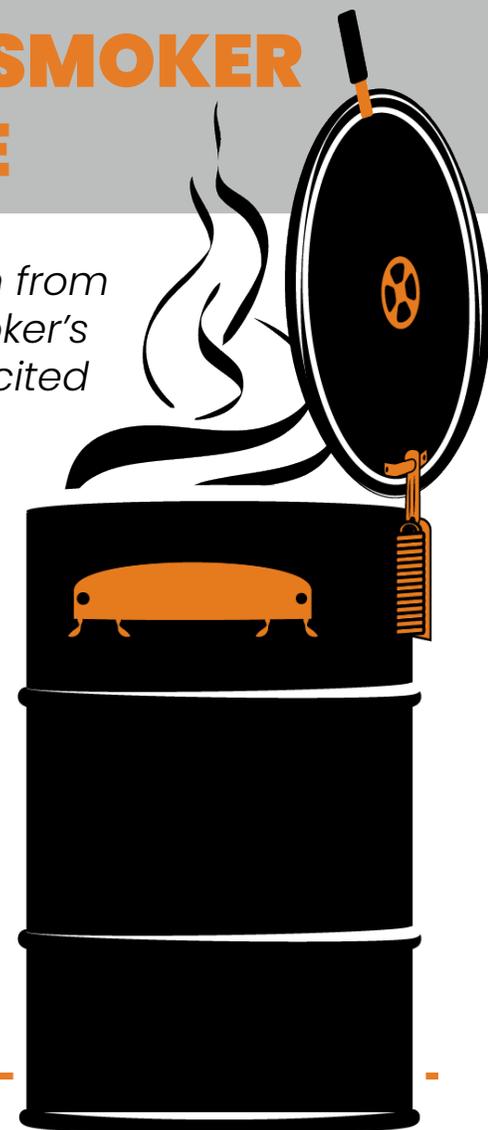

THE SMOKIN' UGLY DRUM SMOKER ACCESSORIES LINE

Our Ugly Drum Smoker accessories line was born from our team's desire to expand upon the Drum Smoker's outdoor cooking possibilities. We're especially excited about wood fired pizza!

This line of products pairs with the original Drum Smoker accessories, and takes your backyard smoking station to the next level.

Our high-quality, innovative accessories offer an "any meal, any time" grilling/smoking solution to Ugly Drum Smoker enthusiasts!

Fueled by Vectis Technology and manufactured with your grilling experience in mind!

Turn your Ugly Drum Smoker into a pizza oven or a griddle with the Smokin' Ugly® Pizza Oven!!

Griddle hotcakes, fry up some eggs, toast a sandwich, or wood fire a delicious homemade pizza!

The Smokin' Ugly® Pizza Oven is easy to assemble and has both charcoal and wood heating options.

Changing over from the pizza oven to the grill only takes a few minutes.

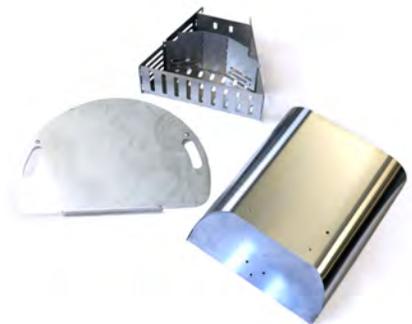

Part Number: 32553

THE KIT INCLUDES:

- Stainless Steel Cooking Chamber/Cover Assembly
- Stainless Steel Grill Plate
- Steel Charcoal Basket w/Divider
- Stainless Steel Dual Spring Drum Smoker Hinge Kit
- Hardware Accessory Pack
- Installation Instructions

Drum Smoker Hinge (Single)

Part Number: 32366

This adjustable spring-assisted hinge allows users to keep their hands free when checking on their slow cooking masterpiece. The multi-position spring adjustment accommodates a variety of lid weights and opens beyond 90° for full access to the smoker.

The high-quality stainless steel hinge body is built to withstand extreme heat and fits on a variety of drum smokers.

Plus, the hinge has bottle opener features on both sides so you can enjoy a cold drink while you cook.

The kit includes:

- *Single Spring Hinge Assembly*
- *Hardware Accessory Pack*
- *Installation Instructions*

Drum Smoker Hinge (Double)

Part Number: 32554

Same great features as the single Drum Smoker Hinge, but for use with larger, heavier lids.

The kit includes:

- *Double Spring Hinge Assembly*
- *Hardware Accessory Pack*
- *Installation Instructions*

Drum Smoker Latch/Handle

Part Number: 32367

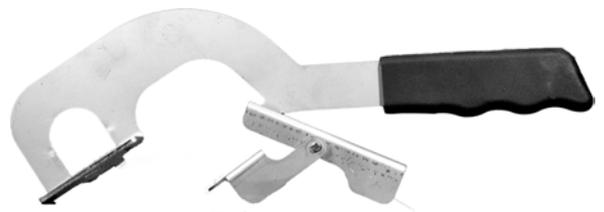

The Drum Smoker latch is a safe and convenient way to secure your lid, whether it's from small hands or a big gust of wind.

The latch also self-latches when the lid is closed, letting you go about your business without worrying about whether you closed the lid or not.

The heavy-duty vinyl latch grip is grooved to provide a comfortable and secure grip. The high-quality, stainless steel construction stands up to extreme heat. Both the latch and the handle fit a wide variety of drum smokers.

The kit includes:

- *Handle*
- *Latch Assembly*
- *Hardware Accessory Pack*
- *Installation Instructions*

Inlet Vent Kit

Part Number: 32555

This stainless steel inlet vent is designed to regulate temperature and cook your food to perfection. The slider allows the user to choose how much air comes into the smoker. Open it more for a hotter flame, or keep it almost closed for a longer, more persistent flame.

The kit includes:

- *Air Inlet Top Plate*
- *Air Inlet Slider Track*
- *Air Inlet Slider*
- *Hardware Accessory Pack*
- *Installation Instructions*

Exhaust Vent Kit

Part Number: 32556

This pinwheel-style exhaust vent mounts seamlessly to the Ugly Drum Smoker lid to regulate air flow and temperature. The stainless steel construction is built to withstand high temperatures, and the rotating feature makes it easy to increase or decrease airflow.

The kit includes:

- *Exhaust Wheel*
- *Hardware Accessory Pack*
- *Installation Instructions*

Charcoal Basket Kit

Part Number: 32435

The easy-to-assemble charcoal basket has an ash pan attached, making clean up fast and relatively mess-free. The basket is complete with a convenient handle for easy extraction.

Made from durable 3/32" thick steel.

The kit includes:

- *Basket Handle*
- *Basket Bottom*
- *2 Basket Sides*
- *2 Basket Legs*
- *Ash Pan*
- *Assembly Instructions*

Utensil Holder Kit (w/ Branding) *

Part Number: 32429

Need a convenient place to keep your cooking and smoking utensils? This stainless steel rack attaches directly to the drum smoker for easy access.

Plus, we can laser etch your logo on the face of the utensil holder! (This is optional).

The kit includes:

- *Utensil Holder*
- *Hardware Accessory Pack*
- *Installation Instructions*

Water Pan Holder/Heat Deflector Kit

Part Number: 32558

This stainless steel water pan shelf was specifically designed to attach to our grill grate and fits a variety of drum smokers. Plus, it can double as a heat deflector.

The kit includes:

- *Heat Deflector/Water Pan Shelf*
- *3 Mounting Legs*
- *Hardware Accessory Pack*
- *Installation/Assembly Instructions*

Charcoal Chute Kit

Part Number: 32559

This charcoal chute is designed to easily add charcoal or wood to your drum smoker without having to open the lid or remove smoker grates and food. It can also act as an additional air inlet to achieve higher smoker temperatures.

The stainless steel chute is made to withstand high temperatures and includes an easy open/close feature.

The kit includes:

- *Base/Frame*
- *Door*
- *2 Side Walls*
- *Hardware Accessory Pack*
- *Installation/Assembly Instructions*

* A \$250.00 one-time set-up fee applies to all branded items

Grill Grate & Utensil Hooks Kit

Part Number: 32560

Grates used for grilling have to stand up to grease, flames, and cleaning brushes, so they have to be tough. This heavy-duty grate is constructed with 1/8" stainless steel, making it ideal for cooking/smoking. Plus, it has hand hole cut outs for easy installation and removal.

The kit includes:

- Grill Plate
- 2 Hook Brackets
- Hardware Accessory Pack
- Installation Instructions

Pizza Peel (w/ Branding) *

Part Number: 32561

Feel like a true pizza chef with this pizza peel. The .062 aluminum construction is light and easy to maneuver, while the sturdy phenolic handle will stand the test of time.

Plus, we can laser etch your logo onto the pizza peel! (This is optional).

The kit includes:

- Pizza Peel (branding optional)

Basket Hook/Hole Alignment Tool

Part Number: 32567

Charcoal basket removal hook that also doubles as an installation/hole alignment tool for the Latch/Handle and Utensil Hook.

Stainless Steel Construction

Note, this tool is not required for Latch/Handle and Utensil Hooks installation, but will make the job easier.

The kit includes:

- Basket Hook

* A \$250.00 one-time set-up fee applies to all branded items

Side Shelf Kit

With this 11" x 14" side shelf, food preparation has never been easier! The shelf is attached directly to the drum smoker allowing users to store food, seasonings, tools, and more. It even comes complete with utensil hooks so that tools are easily accessible.

Made with high-quality stainless steel, it is built to withstand the extreme heat that comes with smoking a delicious meal.

When not in use, the shelf rotates up and slides down so it can be conveniently stored.

The kit includes:

- *Side Shelf Kit*
- *Hardware Accessory Pack*
- *Installation Instructions*

Wheel Kit

The wheel kit eases mobility so that users can relocate their smoker to the perfect spot without having to lift or tilt their drum smoker. The combination of the large wheels and swivel caster makes it easy to navigate hard surfaces and lock in place at the final destination.

The powder-coated steel frame provides structure and style while enduring the high temperatures of your smoker.

To assemble, simply attach the wheels and swivel caster to the lower lip of the barrel and you are ready to roll!

The kit includes:

- *Two 6" Wheels*
- *One Swivel Caster Lock*
- *Hardware Accessory Pack*
- *Installation Instructions*

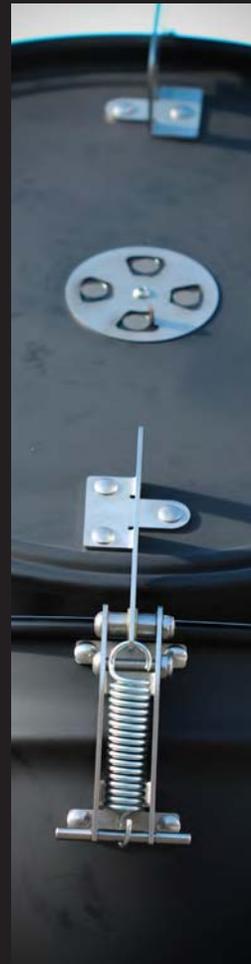

Since our inception in 1909, we have been innovators.

We created new markets, new products, new applications, and we raised the bar on the quality our customers should expect in our industry, as we continue to do today.

Weber Knapp's proprietary **VECTIS**[®] software and seasoned engineering team combine to create premium motion control mechanisms and manufactured components for outdoor cooking appliances.

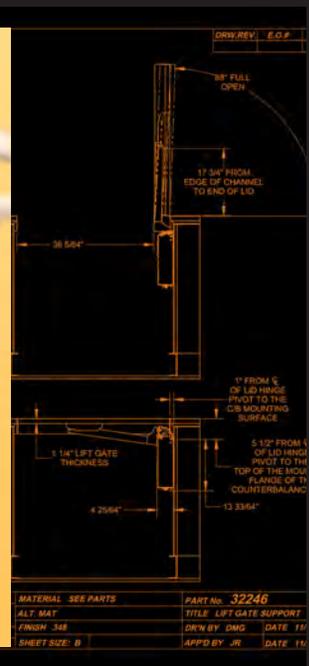

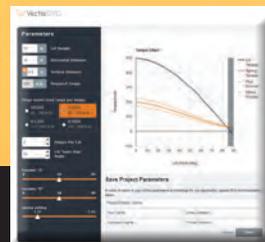

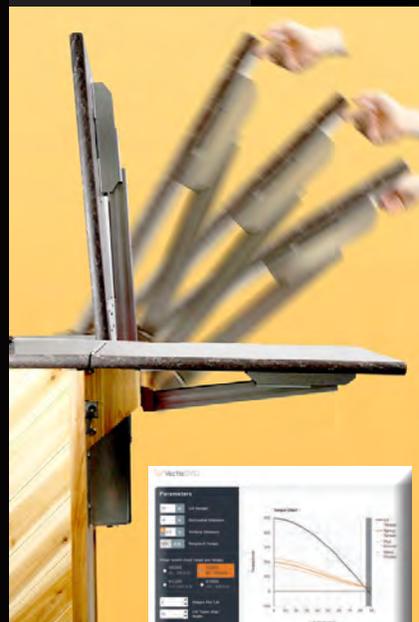

Check out how Weber Knapp has brought innovation to the outdoor appliance markets by visiting weberknapp.com.

Our **Vectis® Technology** can be incorporated into many other practical outdoor and professional kitchen applications.
